RELEVANT SKILLS

Can sleep indefinitely using meditation techniques developed by and for myself

EDUCATION

Reed College, Portland Oregon, BA in Mathematics and Computer Science

Anticipated Graduation May 2018

OBJECTIVE

Young adult that has slept on Tempur-pedic mattress toppers for over half of his life looking to become a professional sleeper, and represent favorite sleep gear company.

SUMMARY OF QUALIFICATIONS

- Sleeps every night
- 21 years of sleep experience
- Personal experience with uncomfortable spring mattresses, true appreciation for Tempur-pedic
- As a child wanted to have birthday party at The Mattress Superstore in San Diego (now Mor Furniture for Less)
 - deep love of mattresses and bedding

RELEVANT LIFE EVENTS

Slept for three days straight

August 2013

- Learned it is possible to sleep off emotional distress
- Did wake up to use the restroom, but was asleep within approx 6 minutes of waking up

Lucid Dreams

Spring 2015-present

- After years of hard work and sleep meditation
- Only occurs on Tempur-Pedic mattresses

Prolonged use of Tempur-Pedic Mattress topper

Early 2000's – present

- Started using Tempur-Pedic at early age
 - No going back
- Many compliments on how comfortable my bed is from friends and family
- No back pain
- No spilled wine on mattress

ACTIVITIES AND INTERESTS

Reed College Filmmaking Collective

Fall 2016-Present

- Director
 - Organize other students to work on short films regularly
 - Manage projects with many moving parts and time constraints (busy students)
- Editor/Cinematographer
 - Forward thinking, figuring out what can be done now to make less work for later
 - Spend many hours doing tedious edits to perfect video projects

Camping and Hiking

Childhood-present

- enjoy sleeping out under the stars, could collaborate on outdoorsy Tempur-Pedic

Misc.

- I do not use sleep enhancement supplements like zzquil or melatonin
- Good hygiene
 - shower and change bedding regularly
- Have a computer with webcam and good internet for live streaming my sleep
- Can sleep in well light rooms as well as dark rooms
- Sometimes I sleep talk, could potentially be sleep interviewed
